What is the CashBack for Communities Small Grants Scheme?

CashBack for Communities is a Scottish Government initiative that uses funds recovered from criminal activity to support positive activities for young people.

The CashBack for Communities Small Grants Scheme has been established to support local volunteer led groups or units, who may not previously have had access to external funding, to enhance their programmes for young people and get positive projects off the ground.

This scheme is being managed by a partnership of six national, volunteer-led youth organisations; Scottish Council - The Scout Association, Girlguiding Scotland, Boys Brigade, The Girls' Brigade in Scotland, Clubs for Young People (Scotland) and Youth Scotland, the network of Youth Clubs and Groups in Scotland. It has been running since March 2010 and has so far distributed over £233,000 to youth groups, units and organisations across Scotland.

What will the scheme fund?

- The **start up costs** of a unit or youth group (up to £1,000)
- The costs (or part of the costs) of a **particular programme of activity** (up to £2,000). This can include equipment.

Who can apply?

Local units or youth groups which meet all the following criteria:

- **Led by volunteers,**
- **Have members which include young people aged 10 or over,**
- **Based in Scotland, and**
- **A member of one of the six partnership organisations opposite.**

This last requirement is to ensure all groups awarded a small grant have the appropriate national organisational support, with clear operating policies in place, and are properly constituted.

If you are an independent non-uniformed group that is not a member of one of the organisations, but would like to apply for the Small Grants Scheme, you may be interested in joining either Youth Scotland or Clubs for Young People (Scotland).
